RE: Renewed Petition under 37 CFR 1.378(c)  
Patent No. 6,082,965

Dear Mr. Woods:

We had previously filed a Petition to Accept Unintentionally Delayed Payment of Maintenance Fee in an Expired Patent (37 CFR 1.378(c))

A response to our Petition was mailed from the Office of Petitions on March 8, 2013 stating "[a] properly signed petition is required." We received your response on March 12, 2013.

My assistant called and left a phone message for you on March 12, 2013, to confirm that we could submit a petition that had been signed by the inventor. In a phone message you left on March 13, 2013, you verified that a petition signed by the inventor can be addressed on its merits.

Please find enclosed a petition that is properly signed by the inventor. You will notice no fee information was included because fees were paid with the earlier petition that was dismissed.

With the petition properly executed by the inventor enclosed for your records, please proceed to accept the reinstatement of expired patent number 6,082,965.

Thank you for your assistance in this matter.

Very Truly Yours,

Emma Thompson  
Corporate Counsel

## WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
